Electives (9 Credit Hours)

(First Group)

No.	Course Title	Course No.	Credit Hours	Prerequisites	Notes
5	Jerusalem	3400108	3		

Jerusalem

This course seeks to acquaint students with Jerusalem historically, religiously and demography, stressing its spiritual importance within the Arab- Islamic civilization, and highlighting the current subversive practices against Islamic and Christian sites, due to the process of the city's Judaisation. It also highlights the Jordanian role in maintaining and protecting Islamic and Christian sites. Additionally, it sheds light on the city's diverse culture and heritage.
